

# Cordless security: the ultimate customer experience.

The POD Series 3000 showcases InVue innovation at its best. Series 3000 is the first cordless security device for handheld electronics, allowing your customers the ultimate merchandise experience within a preset perimeter inside the store.

The new Series 3000 provides retail merchandise security with absolutely no cords, giving your customers unprecedented freedom in their shopping experience.

### FEATURES AND BENEFITS

- 1 Completely cordless alarming security
- 2 Contact charging supports all Micro USB and Apple devices
- 3 'Gold is Good' LED indicates armed status
- 4 Alarm on product ensures that a stolen device can be tracked as it moves through or exits the store
- 5 Alarm in base ensures that alarm is heard, even if thief attempts to suppress alarm on product
- 6 Utilizes InVue OneKEY™ to set perimeter and arm/disarm; part of the InVue OneKEY ecosystem™
  - › Fully adjustable security perimeter
  - › Pre-alarm warns customers when they are approaching security perimeter

A storewide single key solution to increase profits.

**OneKEY**<sup>™</sup>  
ecosystem

Series 3000 is part of the exclusive InVue OneKEY ecosystem<sup>™</sup>, a storewide single key solution that improves customer service, increases sales and provides high theft protection.
