

Zips for Modular Display

Simple. Fast. Secure.

Flexible, cost-effective modular display solution for select merchandise.

Zips for Modular Display is the ideal display merchandising and security solution for a select range of consumer electronic products. The modern design both cleanly displays products

and elevates the customer experience. This unique solution is customizable, flexible and cost effective when coupled with the S850.

Zips for Modular Display is part of the exclusive InVue OneKEY ecosystem™, a storewide single key solution that improves customer service, increases sales and provides high theft protection.
